**SUPPLEMENT TO THE  
PETITION FOR A RETROACTIVE LICENSE  
UNDER 35 U.S.C. § 184**

Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The applicants hereby submit an updated listing of Patent Applications for the petition for a retroactive license under 35 U.S.C. § 184, filed February 5, 2004, relating to the referenced US application.

**Appl. No. 09/489,760**  
**Supplement dated June 16, 2004**

**Supplement to the petition under 35 U.S.C. § 184 for retroactive filing license**

The applicants request retroactive foreign filing licenses for the following updated list of applications:

Foreign Country	Filing Date	Application Number (Patent Number)
European Patent Office	July 23, 1997	EP 97202303.0
Netherlands	July 23, 1998	PCT/NL98/00424
Japan	July 23, 1998	JP19982000504165
Canada	July 23, 1998	CA 2,298,887
European: Austria, Belgium, Switzerland, Germany, Denmark, Spain, France, United Kingdom, Greece, Ireland, Italy, Liechtenstein, Luxembourg, Monaco, Netherlands, Portugal, and Sweden	July 23, 1998	EP 0996636
Australia	July 23, 1998	AU 98/85639
Australia	July 23, 1998	AU1 98/85639 (AU0756962B2)

The first filing is the priority document, EP 97202303.0, filed July 23, 1997, now abandoned. Within one year of the priority document an international PCT application was filed, PCT/NL98/00424, filed July 23, 1998, designating all of the member states and regional offices. The Japanese, Canadian, European and Australian patent applications, as well as the Australian patent, referenced herein represent national entries of the PCT application. The present update includes the Canadian patent application and removes an incorrect reference to an Australian patent application.

**Appl. No. 09/489,760**  
**Supplement dated June 16, 2004**

**Supplement to the petition under 35 U.S.C. § 184 for retroactive filing license**

The currently pending petition should now contain declarations by Dr. Victor H. Engelhard and Dr. Donald F. Hunt, averring to diligence in obtaining the retroactive foreign filing license and an updated listing of related applications.

Respectfully submitted,

G. Scott Dorland, Ph.D.
